Nonmetallic Hardness Rating:

Not rated

Min. Tensile Strength (psi):

1000 pounds per square inch

Width:

24.000 inches

Thickness:

0.125 inches

Length:

36.000 inches

Surface Condition:

Smooth

Environmental Protection:

Acid resistant and chemical resistant and oil resistant

Color:

Gray both sides

Material:

Rubber, synthetic, cured

Material:

Rubber synthetic

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A26800
