Rubber Strip - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/9320-00-702-2294

Cross Sectional Shape:
Rectangular
Fabrication Method:
Solid
Length:
53.000 inches
Surface Condition:
Smooth both sides
Cross-sectional Height:
0.500 inches
Cross-sectional Width:
0.188 inches
Color:
Black both sides
Material:
Silicone rubber, ams 3195
Material:
Rubber silicone class q
Material Specification:
Ams 3195 assn standard single material response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A26800
