Rubber Strip - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/9320-00-729-6341

Cross Sectional Shape:
Rectangular
Fabrication Method:
Solid
Nonmetallic Hardness Rating:
Not rated
Min. Tensile Strength (psi):
Not rated
Tempurature Rating:
Not rated
Length:
1.937 inches
Surface Condition:
Smooth
Cross-sectional Width:
0.312 inches
Environmental Protection:
Light and water resistant
Color:
Any acceptable
Material:
Rubber, synthetic, cured
Material:
Rubber synthetic
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A26800
