Rubber Strip - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/9320-01-135-8453

Cross Sectional Shape:
Square w/ center aperture
Length:
Between 0.670 inches and 0.730 inches
Surface Condition:
Smooth both sides
Cross Section Inside Diameter:
Between 0.280 inches and 0.340 inches
Cross-sectional Height:
Between 0.470 inches and 0.530 inches
Cross-sectional Width:
0.093 inches
Special Features:
Self adhering
Material:
Rubber, silicone, med soft
Material:
Rubber, silicone, med soft
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A26800
