Environmental Protection:

Fungus resistant and mildew resistant

Width:

1.250 inches

Length:

1200.0 inches

Min. Tensile Strength (psi):

6 pounds per square inch

Nominal thickness:

0.1250 inches

Color:

Black basic or gray basic

Material:

Plastic polyvinyl chloride basic

Material Specification:

13219e9528, 97403 mfr ref single material response basic

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A14300
