**Environmental Protection:**

Acid resistant and water resistant

**Width:**

0.500 inches

**Length:**

360.0 inches

**Nominal thickness:**

0.1250 inches

**Special Features:**

As differentiated by width

**Color:**

Pink

**Material:**

Rubber

**Material Specification:**

9151 mfr ref single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A14300
