Width:

12.000 inches

Thickness:

0.031 inches

Length:

12.000 inches

Surface Condition:

Smooth

Criticality Code Justification:

Zzzy

Color:

White

Material:

Rubber, chloroprene

Material:

Rubber chloroprene class cr

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A26800
