Criticality Code Justification:

Zzzw

Special Features:

Materials synthetic rubber 50 and 65 duromete hardness

Departure From Cited Document:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A26800

Mil-std (military Standard):

Mil-g-1149 spec.
