Criticality Code Justification:

Zzzy

Special Features:

Each strip is 0.63 inches thick x .50 inches wide x 170.2 inches long

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A26800

Mil-std (military Standard):

Mil-prf-15624 spec.
