Width:

50.000 inches

Thickness:

0.110 inches

Length:

Between 45.0 meters and 50.0 meters

Surface Condition:

Smooth both sides

Strengthening Feature Material:

Nylon

Strengthening Feature:

Internally molded-in reinforcement

Color:

Black both sides

Material:

Rubber and nylon

Material:

Rubber and plastic polyamide

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A26800
