Width:

Between 35.000 inches and 37.000 inches

Thickness:

0.250 inches

Length:

Between 35.000 inches and 37.000 inches

Surface Condition:

Rough both sides

Special Features:

Material per astm d2000 2bc515a14b14c12f17621z; waive oil immersion requirement for suffix z

Material:

Rubber, chloroprene

Material:

Rubber chloroprene class cr

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A26800
