Width:

0.500 inches

Nominal thickness:

0.1250 inches

Special Features:

Mfg name: strip-n-stick silicone tape; silicone adhesive with release liner; adhesive temperature range -100f to +500f

Color:

Orange basic

Material:

Rubber silicone class q basic

Material Specification:

Furon cohrlastic r-10470m mfr ref all material responses basic

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A14300
