Nonmetallic Hardness Rating:

Not rated

Min. Tensile Strength (psi):

Not rated

Width:

18.000 inches

Thickness:

0.125 inches

Length:

18.000 inches

Surface Condition:

Any acceptable both sides

Special Features:

Closed cell class a

Material:

Rubber

Material:

Rubber isobutylene-isoprene class iir

Specification Data:

81346-astm-d1056 professional/industrial association standard

Specification Or Standard:

A class and ii type

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A26800
