Width:

36.000 inches

Thickness:

0.500 inches

Length:

36.000 inches

Material:

Rubber, ams 3304

Material:

Rubber silicone class q

Material Specification:

Ams 3304 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A26800
