Width:

15.875 inches

Thickness:

0.125 inches

Length:

26.750 inches

Surface Condition:

Smooth both sides

End Application:

4940-01-385-1794

Product Name:

Rubber pad, battery box

Special Features:

In center of item is one thru-hole; 0.750 in. Dia.

Color:

Black both sides

Material:

Neoprene compound

Material:

Neoprene compound

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A26800
