Width:

6.200 inches

Thickness:

0.125 inches

Length:

20.200 inches

Surface Condition:

Smooth both sides

End Application:

Valves

Material:

Rubber

Material:

Rubber

Specification Data:

81346-astm-d1056 professional/industrial association specification

Specification Or Standard:

2b3 grade

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A26800
