Width:

7.000 inches

Thickness:

0.250 inches

Length:

10.000 inches

Surface Condition:

Smooth both sides

End Application:

Support equipment, c-5 aircraft

Product Name:

Aft mount pad

Special Features:

Pad is rectangular with a cutout (2.000x7.000) on top long edge beginning 3.96 inches from left side and another cutout (1.380x2.130) on bottom left corner

Material:

Rubber, mil-r-6855, type a, class 2, grade 50

Material:

Rubber, mil-r-6855, type a, class 2, grade 50

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A26800
