Width:

36.000 inches

Thickness:

0.125 inches

Length:

36.000 inches

Surface Condition:

Smooth both sides

End Application:

Mts

Product Name:

Packing material

Material:

Fiber, nonasbestos

Material:

Fiber, nonasbestos

Reference Number Differentiating Characteristics:

Differentiated by length, width, thickness

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A26800
