# Width:

36.000 inches

# Thickness:

0.125 inches

# Length:

36.000 inches

## Surface Condition:

Smooth both sides

#### **End Application:**

Mts

Product Name:

#### Packing material

#### Material:

Fiber, nonasbestos

#### Material:

Fiber, nonasbestos

# **Reference Number Differentiating Characteristics:**

Differentiated by length, width, thickness

Shelf Life:

N/a

Unit Of Measure:

---

# Demilitarization:

No

# Fiig:

A26800
