Min. Tensile Strength (psi):

40 pounds per square inch

Width:

54.000 inches

Thickness:

0.500 inches

Length:

54.000 inches

End Application:

Ow-81b/tsq-120b, terminal group

Product Name:

Oil and water resistant vinyl/buna-n foam rubber

Color:

Black both sides

Material:

Rubber, buna-n

Material:

Rubber butadiene-acrylonitrile class nbr

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A26800
