Width:

24.000 inches

Temperature Rating:

-100.0 degrees fahrenheit and 450.0 degrees fahrenheit

Thickness:

0.250 inches

Length:

24.000 inches

Surface Condition:

Rough one side

Environmental Protection:

Weather resistant and electrical resistant

Density Rating:

8.0 pounds per cubic foot

Product Name:

Extreme-temperature silicone foam with adhesive back

Color:

Orange one side

Material:

Rubber

Material:

Rubber

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A26800
