Environmental Protection:

Salt spray resistant and corrosion resistant and fuel resistant and oil resistant and hydraulic solution resistant and grease resistant

End Application:

NSN2-32-001-5653

Width:

0.750 inches

Length:

1.0 feet

Features Provided:

Liner

Nominal thickness:

45.0 mils

Product Name:

Electrical moisture block tape

Special Features:

Temp range up to 130.0c

Color:

Black basic

Material:

Rubber basic

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A14300
