Fabrication Method:

Rolled

Width:

40.000 inches

Thickness:

0.003 inches

Length:

36.00000 inches

Material Transparency:

Opaque

Special Features:

Embossed, unperforated, greaseproof, moisture resistant and non-flammable

Color:

White

Material:

Plastic polyethylene terephthalate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A26800
