Width:

31.000 inches

Thickness:

0.062 inches

Length:

30.000 feet

Grade Designation:

Standard

Special Features:

Green onside, ivory other side

Color:

Green and ivory

Reference Number Differentiating Characteristics:

As differentiated by the length and width

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T258-c
