**Physical Form:**

Liquid

**Material Transparency:**

Translucent

**Plastic Characteristic:**

Thermosetting

**Special Features:**

Consists of 5 gallons /40 lbs/ of resin and 1 gallon /7.6 lbs/ of hardener no. 9216

**Color:**

Amber

**Material:**

Plastic, epoxy

**Material:**

Plastic epoxy

**Reference Number Differentiating Characteristics:**

As differentiated by the special features requirement

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T258-e
