Width:

12.000 inches

Thickness:

0.625 inches

Length:

12.000 inches

Material Transparency:

Opaque

Special Features:

Smooth finish, fuel and water resistant, flame retardance

Material:

Plastic, mil-p-22581

Material:

Plastic

Material Specification:

Mil-p-22581 military specification 1st material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A26800

Mil-std (military Standard):

Mil-p-22581 spec.
