Width:

6.000 inches

Thickness:

0.062 inches

Length:

24.000 inches

Grade Designation:

Standard

Special Features:

Walnut one side, white other side; smooth finish

Color:

Walnut and white

Reference Number Differentiating Characteristics:

As differentiated by length and width

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T258-c
