Fabrication Method:

Laminated

Width:

0.120 inches

Thickness:

0.030 inches

Length:

6.940 inches

Material:

Plastic, mil-p-18177, type gee

Material:

Plastic

Material Specification:

Mil-p-18177, type gee military specification 1st material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A26800

Mil-std (military Standard):

Mil-p-18177 spec.
