Width:

0.750 inches

Thickness:

0.250 inches

Length:

4.750 inches

Strengthening Feature Material:

Adhesive, pressure sensitive

Strengthening Feature:

Backing

External Strengthening Feature Location:

One side

Material:

Plastic, polyurethane

Material:

Plastic polyurethane

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A26800
