Width:

1.625 inches

Thickness:

0.750 inches

Length:

3.625 inches

Material:

Plastic, polyurethane foam, mil-p-26514, type 1, class 2

Material:

Plastic polyurethane

Material Specification:

L-p-26514, type 1, class 2 federal specification 1st material response

Specification Or Standard:

2 class and i type

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A26800
