Nonmetallic Hardness Rating:

Not rated

Min. Tensile Strength (psi):

Not rated

Width:

72.000 inches

Thickness:

0.004 inches

Length:

1800.000 inches

Flexural Strength:

Not rated

Special Features:

Smooth finish

Color:

Black

Material:

Plastic, polyolefin

Material:

Plastic, polyolefin

Reference Number Differentiating Characteristics:

As differentiated by width

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A26800
