Fabrication Method:

Laminated

Width:

24.000 inches

Thickness:

0.062 inches

Length:

24.000 inches

Material Transparency:

Opaque

Special Features:

Color white on inner layer

Color:

Walnut, satin light

Material:

Plastic

Material:

Plastic

Reference Number Differentiating Characteristics:

As differentiated by length, width and thickness

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A26800
