Min. Tensile Strength (psi):

90 pounds per square inch

Width:

42.000 inches

Thickness:

0.250 inches

Length:

56.000 inches

Color:

Gray

Reference Number Differentiating Characteristics:

As differentiated by thickness

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A26800
