**Min. Tensile Strength (psi):**

12000 pounds per square inch

**Width:**

72.000 inches

**Thickness:**

0.003 inches

**Length:**

7800.000 inches

**Material Transparency:**

Translucent

**Color:**

Green

**Material:**

Plastic

**Material:**

Plastic

**Reference Number Differentiating Characteristics:**

As differentiated by length, width and thickness

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A26800
