Nonmetallic Hardness Rating:

Not rated

Min. Tensile Strength (psi):

Not rated

Width:

18.000 inches

Thickness:

0.125 inches

Length:

24.000 inches

Material Transparency:

Opaque

Flexural Strength:

Not rated

Special Features:

Engravable stock; 3-ply, white core; satin finish; flame resistant; indoor use only; moderate break resistant; electrically non-conductive

Color:

Blue

Material:

Plastic, phenolic

Material:

Plastic phenolic

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A26800
