Fabrication Method:

Laminated

Width:

480.000 inches

Thickness:

0.004 inches

Length:

1200.000 inches

Material Transparency:

Opaque

Special Features:

Polyester yarn filler

Color:

Black

Material:

Plastic

Material:

Plastic

Reference Number Differentiating Characteristics:

As differentiated by color

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A26800
