Width:

24.000 inches

Thickness:

0.125 inches

Length:

48.000 inches

Grade Designation:

Standard

Special Features:

3 ply, polished finish both sides, white core

Color:

Black and white

Reference Number Differentiating Characteristics:

As differentiated by length and width

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T258-c
