**Overall Length:**

6.370 inches

**Overall Width:**

6.120 inches

**Overall Thickness:**

0.250 inches

**End Application:**

B-1b, test inster. Set

**Special Features:**

Spares-adpter set, leak check, fueltank press and vacuum. Identical to p/n 46a24004-007, nsn 9330-01-221-5349, except do not drill 10ea.

0.203 diameter h oles

**Material:**

Plastic acrylic

**Style Designator:**

Rounded corners

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A15000
