End Application:

Sensing module assembly, separation and recovery system, model ba-1a

Special Features:

Used on sensing module of sarex oca-1 and ba-1 (oil monitors) to hold sensor photodiode in place

General Description:

Plastic, black asb; 1.500 in. H; 1.000 in. Dia; 0.375 in. Thick

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
