Min. Tensile Strength (psi):

20 pounds per square inch

Width:

2.928 inches

Thickness:

0.500 inches

Length:

3.875 inches

Flexural Strength:

20 pounds per square inch

Special Features:

Air filter

Color:

Charcoal both sides

Material:

Plastic, polyurethane foam

Material:

Plastic polyurethane

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A26800
