Width:

48.000 inches

Thickness:

0.062 inches

Length:

120.000 inches

Material Transparency:

Opaque

Special Features:

Material ultra high molecular weight polyethylene

Color:

Black both sides

Material:

Plastic, polyethylene

Material:

Plastic polyethylene

Reference Number Differentiating Characteristics:

As differentiated by length and color

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A26800
