Overall Length:

5.500 inches

Overall Width:

2.360 inches

Overall Thickness:

0.060 inches

Material Transparency:

Translucent

Special Features:

Engrave 19 grid lines 0.015 - 0.025 wide, 0.005 - 0.015 deep; fill engraved grid lines white

Material:

Plastic methyl methacrylate

Material Specification:

L-p-391, grade a, type i federal specification single material response

Style Designator:

Square corners

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A15000
