**Fabrication Method:**

Rolled

**Width:**

2.875 inches

**Length:**

800.000 feet

**Material Transparency:**

Clear

**Strengthening Feature Material:**

Paper

**Strengthening Feature:**

Backing

**External Strengthening Feature Location:**

One side

**Special Features:**

Roll; for use as a packaging material of drugs and capsules in the atc 212 system

**Material:**

Cellulose

**Material:**

Cellulose

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A26800
