

View Online at <https://aerobasegroup.com/nsn/9330-01-360-0781>

Fabrication Method:

Extruded

Special Features:

Heat resistant, weather resistant

Material:

Plastic, polyamide, polyhexamethylene adipamide, I-p-410

Material:

Plastic polyhexamethylene adipamide

Material Specification:

L-p-410 federal specification 1st material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A26800
