Overall Length:

2.700 inches

Overall Width:

0.400 inches

Overall Thickness:

Between 0.055 inches and 0.080 inches

End Application:

5820-01-270-5103

Surface Finish:

Polished

Material Transparency:

Clear

Special Features:

Centered half circle cutout with dimensions 0.312 width and 0.250 height

Color:

Blue green

Material:

Plastic

Material Specification:

Ams 3195 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A15000
