Tempurature Rating:

260.0 degrees celsius

Special Features:

Transparant

Color:

Violet both sides

Material:

Plastic, film, l-p-001167

Material:

Rubber hydrochloride

Material Specification:

L-p-001167 federal specification 1st material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A26800
