Width:

12.000 inches

Thickness:

0.500 inches

Length:

12.000 inches

Special Features:

Flame retarded; fuel and water resistant

Material:

Plastic, mil-p-23653, class 1

Material:

Plastic, mil-p-23653, class 1

Specification Or Standard:

1 class

Departure From Cited Designator:

As modified by thickness

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A26800
