Width:

0.250 inches

Thickness:

0.250 inches

Length:

4.800 inches

End Application:

An/grc-211 radio, 5820010900614

Product Name:

Seal, door

Special Features:

Adhesive tape with peel-off backing along one side

Material:

Plastic, polyurethane foam, mil-p-26514, type 1, class 2

Material:

Plastic polyurethane

Material Specification:

L-p-26514, type 1, class 2 federal specification 1st material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A26800
