Wall Thickness:

0.0300 inches

Inside Diameter:

0.188 inches

Length:

50.000 feet

End Application:

Fuel management

Quantity Within Each Unit Package:

50.000 feet

Plastic Material:

Plastic, polyethylene

Color Coding/special Markings:

Not included

Color Coding:

Natural

Product Name:

Sleeving, textile, electrical

Special Features:

Spiral cut is left handed

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T258-f
