Width:

0.900 inches

Thickness:

0.062 inches

Length:

2.250 inches

End Application:

1520-01-355-8250 helicopter, attack

Product Name:

Insulation

Special Features:

Material is military I-p-509 type 4, grade g7

Material:

Plastic, thermosetting, phenolic resin

Material:

Plastic, thermosetting, phenolic resin

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A26800
